

Statistical Reports and Development Plans the Pacific

Filmed in close cooperation with the Joint Bank Fund Library in Washington, D.C., the items in this catalogue present a selection from the series:

- National Statistical Reports
- National Development Plans
- Documents on Education Development
- and Rural and Regional Development.

It offers, in many cases, remarkable runs of data that span several years of socio-economic planning and performance.

The listing on the following pages is organized by main type of document, and by country.

No. of titles: 159

No. of microfiches: 1,202

It is possible to order selected titles only.
