

## THE IDC SERIES THE EASTERN QUESTION

The IDC series The Eastern Question consists of collections of unique primary sources, on microform and online, about the diplomatic, military, economic, and cultural relations between Europe and the Middle East ranging from the seventeenth century to the early twentieth century. These new IDC publications offer new material on the history of the Middle East, Russia, and Europe, which no modern historian can afford to ignore. Clients can opt for a standing order to the entire series and receive a 10% discount!

The entire series will also become available online in IDC's Digital Library.
